## The Donoho School

Welcome to the Donoho School!

We are excited about another year of Falcon Athletics. As you will read in the letter from our Director of Athletics, last year was another strong one for Donoho, as we added another State Runner-Up map and multiple individual state championships to our Championship tradition.

This year, we are looking forward to continuing that tradition of excellence. Our athletic program provides students with the opportunity to develop leadership qualities and self-confidence. It is a major component of our proud tradition of excellence and honor. The success of our student-athletes, both academically and athletically, is an important part of our mission.

I invite you to learn more about why The Donoho School is the premiere college preparatory school in East Alabama. Here are some of the great aspects of The Donoho School:

- Well-rounded college preparatory curriculum in grades PK-12
- Accredited by SAIS
- 76% of faculty hold advanced degrees
- 94 National Merit Scholars in the school's 61-year history
- 22 AHSAA recognized sports teams, boasting 25 State Championships
- Award-winning visual and performing arts offerings

Donoho graduates are prepared and ready to meet the challenges that lie ahead. We have a long history of our graduates being admitted to the most competitive colleges and universities and, over the last 5 years, over 90% have received a merit scholarship to the school of their choice.

Excellence in all areas – academics, athletics and the arts – and opportunities to excel both in the classroom and in the greater community make Donoho the preeminent school in Eastern Alabama and one of the top independent schools in the state. We are so proud of our students in all they do and invite you to share in our appreciation of their accomplishments.

I invite you to visit The Donoho School if you are looking for an independent education as an option for your children. Why start the Donoho journey today? Because the most important moment in your child's education is now!

Go Falcons!

David Noone  
Head of School

## The Donoho School

Dear Donoho Community,

I would like to welcome you to another year of Falcon athletics. The Donoho School's athletic program seeks to prepare students to become productive citizens of our community and society by teaching and developing commitment, character and a competitive spirit among student-athletes who honor the game. Additionally, our coaches are committed to promoting skills development, team play, and sportsmanship at all levels.

The Donoho School is a member of the Alabama High School Athletic Association (AHSAA) with athletic programs competing in multiple classifications (1A-5A). The school offers opportunities for our student-athletes to compete in the following sports: baseball (2A), basketball, cheer, cross country, football, golf, mountain biking, soccer (1A-3A), tennis (4A-5A), track and volleyball (3A).

This past year exemplified the competitiveness of our Falcons:

- Individual State Champions in Tennis, Track and Mountain Biking
- State Runner-Up in Girls Soccer
- Elite Eight in Volleyball
- Sweet Sixteen in Baseball
- 3 athletes signed to pursue collegiate athletics

We will continue to do everything we can as an Athletic Program to support the growth of our student-athletes. We will strive to dominate in the classroom, on the fields and on the courts.

The support from Falcon Pride has become a staple for the Athletic Program. Support in many ways including financial support, work days, cook outs, a robust media guide, pictures, banners, signage... the list goes on and on. Our Athletic Program relies on Falcon Pride volunteers. Thank you so much for all of your help.

Let's GO!

Steve Gendron  
Athletic Director

Falcon Pride Sponsors, Family & Friends:

***Welcome to another exciting year of Donoho Falcons Athletics!***

Our Falcon student-athletes have been hard at work all summer preparing for the upcoming Fall and Winter seasons, and we are ALL excited to cheer them on as they look to continue the Championship Tradition at Donoho!

I am honored to once again lead Falcon Pride as we work to support our amazing student-athletes and coaches. Having personally seen the impact Donoho Athletics had on the growth of our youngest son (Lucas '23), on and off the field, Cody and I are excited to do everything we can to see that the next generation of Donoho Falcon student-athletes have the same amazing experience as they represent our incredible school!

Falcon Pride plays an important role on campus as we work to support our student-athletes and coaches in a variety of ways...and we can always use more help. This year our goal is to focus on five key areas:

- Fundraising/Sponsorship
- Community Engagement
- Future Falcons
- Alumni Relations
- Gameday Experience

If you are interested in becoming more involved with Donoho Athletics, and specifically one of the five focus areas for Falcon Pride, please find me on the sidelines or in the stands. We can use your help!

We can't wait to cheer on our Falcons this year and look forward to spending time with each of you in the stands as we celebrate another exciting year of Donoho Athletics!

Go Falcons...and thank you!

Matthew S. Elliott  
Falcon Pride President

**Falcon Pride** exists to positively support, promote, and enhance the experience of interscholastic athletics for our Donoho Athletics Program, its student-athletes, coaches, and families, in alignment with our school mission to allow students to **Live with Honor, Engage their Passion, Act with Humility, and Delight in Wisdom & Achievement.**

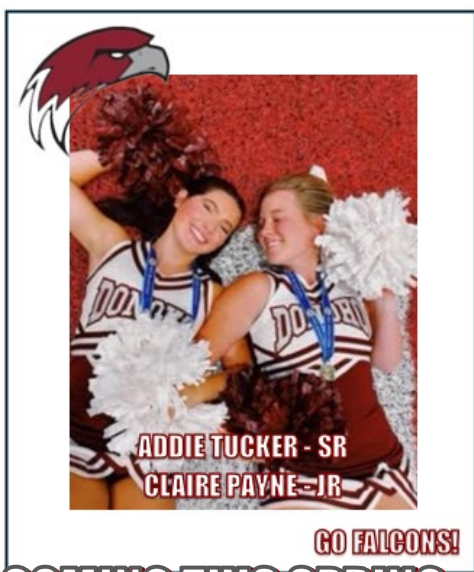

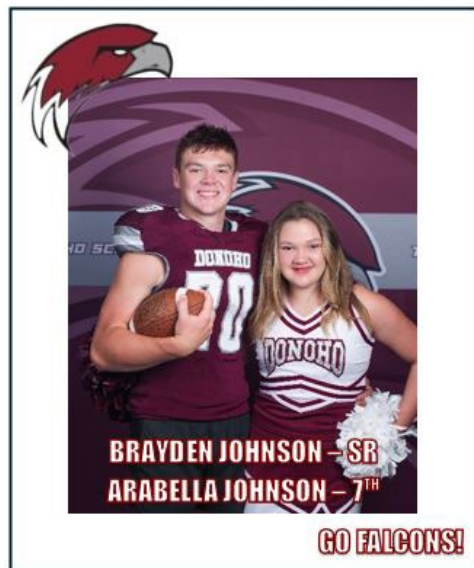

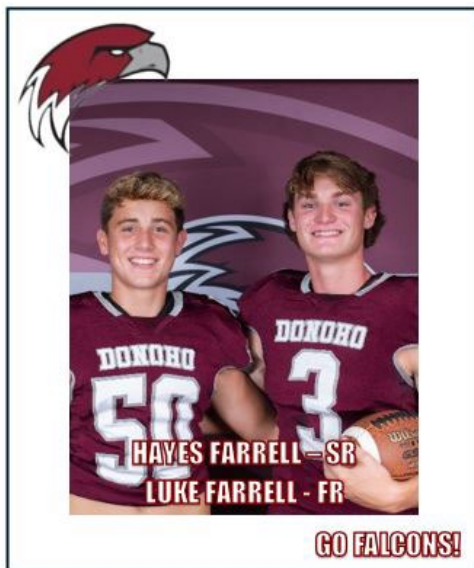

**Falcon Pride** offers our volunteers five opportunities for involvement:

- **Fundraising/Sponsorship** – **Falcon Pride** raises money to support our student-athletes in an array of sports, providing funds for equipment, uniforms, travel, officials and many other required resources.
- **Community Engagement** – **Falcon Pride** organizes quarterly “Meet the Team” events and “OneFalcon” service opportunities.
- **“Future Falcons”** – **Falcon Pride** promotes involvement of our Lower School students and families through improved communications and enhanced Lower School athletic opportunities.

# FALCON PRIDE SPONSORS

Throughout this Media Guide, including the pages that follow, are Sponsor Ads featuring those companies who provide financial support for Donoho Athletics. We are extremely grateful for the support from each of these companies, as it helps us provide the necessary resources to compete at a Championship level across our county, region and state.

Please make sure you thank the owners and employees of these Sponsors and use them whenever possible. They cover many aspects of everyday life...from health and medicine, to insurance, to retail and restaurant, to real estate, to construction, to financial services...and everything in between!

Our student-athletes are the future leaders that will continue to impact our community long after they leave our campus. The standard they set, and the legacy they leave, is what makes Donoho, and Donoho Athletics, special.

All of the Sponsors included in this Media Guide BELIEVE in our Donoho student-athletes and the vision of our school and athletic program. They each play a key role in our success, and for that we all say...

*Thank You!*

# ***ONCE A FALCON...***

The championship tradition and character of Donoho exists because of the contributions of hundreds of incredible student-athlete leaders who have stepped onto the fields of competition with “Falcons” emblazoned across their chests. This year, Falcon Pride is excited to celebrate our alumni athletes and reconnect with so many who helped establish the standards and expectations our current and future Falcons look to uphold.

If you are a Falcon alumni athlete and have not yet signed up to be an alumni member of Falcon Pride, please visit our page on the school website, or scan the QR code below, and complete an alumni membership application. If you are a friend or family member of an alumni athlete, please make sure they are aware of our efforts to connect with them and recognize their contributions to our athletic program.

We look forward to partnering with you as we work to build a foundation for the future growth of Falcons Athletics and the continuation of the championship tradition at Donoho!

Thank you and Go Falcons!
